'STUDY IN INDIA' PROGRAM

(A program under MOE, Government of India)

LET'S TALK INDIA

India is a hub of culture, technology, and innovation in constant development across multiple facets to keep up with the changing needs of the modern world. Among the rapidly developing sectors of the country is higher education. Ranked as the second-largest Higher Education System in the world, India boasts of over 45,000 colleges and 950+ universities. The advancements across various fields fused with the dynamic & diverse culture of the country makes India a great option for students seeking further education.

THE STUDY IN INDIA PROGRAMME

The Study In India programme is a flagship project launched by the Ministry of Education (MoE), under the Government of India in 2018. The programme is designed to encourage the global student community to pursue their higher education in India. Since its inception, Study In India has drawn in students from 150+ countries spanning across SAARC, Africa, South-East Asia, Central Asia, and the Middle-East. Study in India will help facilitate the student fraternity from all across the globe to come and experience the best of academic learning from the top institutions in India.

REASONS TO CHOOSE THE STUDY IN INDIA PROGRAMME
